Day of Service

Saturday July 24th from 9am – 2pm

Join your fellow scouts for a day of service at Autrey Mill! We have quite a few things to help with in the area around the Goats, Butterfly Garden, and Vegetable Garden! Hours are considered conservation so they do meet Life Rank Requirement #4.

Bring your Nalgene/water bottle!

Bring a sack lunch or \$3 as we'll also be ordering Pizza for those that want it.

NOTE: Only rank service hours will be given for this event, no HA dollars. You can, however, instead use them for other organizations like YMSL, Beta, Honor Society, etc. No double dipping though!
